FAQS & RESULTS

Is this program for me?

If you're looking to grow your business, this program can help! We've worked with everyone from people just starting out to those with multiple clinicians and 10+ years of experience! If you're wondering about your specific case, let us know!

How much time do I need?

Everyone who has gone through this program is a busy business owner! Everything is recorded. Each week you'll have a module to watch (between 35-55 min) + some time to implement. We want to make it easy and actually save you time!

What does it cover?

We focus on the 3 Pillars of Business:

- Marketing & Sales
- Business Systems
- Clinical Excellence

When we get these right, your business will be in a great position for years to come!

What is the ROI?

We track the real world results of our graduates. On average they have added \$56,000 per year in revenue for a 29.5x return on the cost of the program.

Obviously this is an average and depends on your work, situation and effort!
